

HORSHAM'S YEAR OF CULTURE - 2019

Hanging Basket & Railing Planter Sponsorship

Horsham in Bloom, working with the Council's Parks team, is planning to celebrate Horsham's Year of Culture by creating a riot of floral colour across the town. We would therefore like to invite the business community to join with us in creating stunning displays to delight residents, shoppers and visitors alike by sponsoring a hanging basket or railing planter.

How will taking part benefit you and your business? Sponsorship of hanging baskets or railing planters will generate publicity for your business and goodwill in the town centre and specifically:

- **Will be an effective way for your business to be involved in the community**
- **Will get your name in front of the people of Horsham for four months over the summer**
- **Will promote your company on the Horsham in Bloom website, the Year of Culture website, Facebook and Instagram**

Contact Name			
Business Name			
Address			
Town		Postcode
